

# welcome to IAHR

become part of the world hydro-environment engineering and research community!

- River and coastal hydraulics
- Water resources management
- Eco-hydraulics
- Ice engineering
- Hydraulic machinery
- Hydroinformatics
- Hydraulic structures, marine outfalls and urban drainage
- Education and Professional Development
- Fluid Mechanics
- Groundwater

## Individual membership benefits:

- Journal of Hydraulic Research (bi-monthly)
- Printed Hydrolink magazine (bi-monthly)
- Newsflash (monthly electronic newsletter)
- Members Directory
- Members Area of website (Journals, proceedings...)
- Suppliers Directory
- Discount on publications (up to 20%)
- Discounts on other journal subscriptions
- Discounts on conference registration fees
- Membership of technical committees

IAHR, founded in 1935, is a worldwide, independent organisation of engineers and water specialists working in fields related to hydro environmental science and its practical application

**Special 75% discount trial membership for conference delegates!**

## Hydrolink magazine

16 pages of:

- news
- conference reports
- specialist articles
- discussions
- opinions
- people and places
- history, etc...

# Application form 2012

**Join now!**

## Technical Committees

**Please choose ONE Committee as your primary affiliation**  
Granting one full vote in future Committee elections

**Please choose up TWO Committees as secondary affiliations**  
Granting one half vote in future Committee elections

**Please choose other Committees and Groups of interest**  
No vote in future Committee elections
